

ARGEL CARL J. PLATON

Appointment Setter | Outbound & Inbound Calls | Lead Qualification & Scheduling

Philippines • <https://argelcarlva.github.io/appointmentsetter/> • argelcarlVA@gmail.com

PROFESSIONAL SUMMARY

Results-driven Appointment Setter with 3 years of BPO experience handling high-volume phone calls, live chat, and email support for global brands (Booking.com, T-Mobile). Skilled in engaging prospects, qualifying leads, overcoming objections, and converting conversations into booked appointments — all within fast-paced, metric-driven environments. Comfortable working across phone, chat, and email channels, with strong calendar management and CRM logging habits, plus AI tools to speed up follow-ups and research.

CORE SKILLS

- Outbound & Inbound Calling — high call-volume handling in fast-paced, metric-driven environments
- Appointment Scheduling & Calendar Management
- AI-Powered Workflow Support (ChatGPT, Claude) for follow-ups, scripts, and research
- Customer Support / Multi-channel communication (Chat, Email, Phone)
- Script Adherence with Natural, Rapport-Building Delivery

TECHNICAL PROFICIENCIES

- Scheduling Tools: Calendly, Google Calendar, Microsoft Outlook Calendar
- CRM & Dialer Tools: Salesforce, HubSpot, Zendesk, Freshdesk
- Productivity & Project Management: Google Workspace, Trello, Notion, Asana, Click Up, Slack
- AI Tools: ChatGPT, Claude, Canva AI, Grammarly
- Communication Tools: Zoom, Google Meet, Microsoft Teams
